By joining and participating in the Mi Rewards Program from Mi Local Perks, LLC/Michigan Local Perks, you understand and agree to the following:

- You must be 18 years or older to participate in the Mi Rewards Program.
- This is a FREE program that never costs the shopper anything to participate in.
- To qualify for points, you must agree to the terms and conditions and submit the registration form from the “Free Gift Cards” page located on the Mi Local Perks, LLC/Michigan Local Perks website.
- To qualify for points, you must submit copies of receipts only from businesses found within the business database on the “Search Discounts” page located on the Mi Local Perks, LLC/Michigan Local Perks website.

- Only one receipt per visit will be accepted per business. Multiple receipts from the same business on the same day will not qualify. However, multiple receipts from the same business from different days are acceptable.
- You are able to earn points by joining the Mi Rewards Program, by referring others to join the Mi Rewards Program, by referring businesses to join the directory with a paid subscription, by completing customer surveys and by submitting receipts from businesses with varying point levels.
- Receipts from bronze businesses earn 5 points, silver businesses earn 15 points, receipts from gold businesses earn 30 points, and receipts from platinum businesses earn 45 points.
- Joining Mi Rewards earns 25 points. (You may only join the program once to qualify for these points. Multiple registrations will not result in being credited duplicate points for registration.)
- Referring a business who becomes a member of our database earns 20 points.
- Referring a shopper who joins the Mi Rewards Program earns 10 points.
- Posting comments on blogs or forum/message boards earns 5 points per post.

- Completing a customer survey/review earns 15 points.
 - When completing customer surveys/reviews, you must have patronized (been a customer of) the business and be familiar with the products or services being offered by that particular business.
- The rewards program administrator will maintain a record of your points and send quarterly e-mails showing your point bank balance.
- To redeem rewards, your points must total the amount of your claim. If you have 250 points, you may claim a reward worth 250 points. If your points are less than the amount necessary to claim a reward, please do not submit a claim form, but wait until your point balance has sufficient points to process your request.
